

Vanderbilt Center for Radiation Oncology Program in Radiation Therapy

Application Checklist

In order for your application process to be completed you must do the following:

- Request transcripts be sent to the program office for all coursework past high school. Any transcripts from outside the United States must be translated by a college transcript translation service that provides grade equivalence as well as credit hours.

- Request ARRT test results be sent to the program office. This must include the exam score. Verification only, of passing the exam, is not adequate.
The American Registry of Radiologic Technologists
1255 Northland drive
St. Paul, MN 55120
(651) 687-0048

- Sign & mail/deliver Professional Reference Forms to three (3)
 professional references. These forms should be mailed directly to
 the program office from the reference.

- Clinical Site Visit Completed (20 hours minimum) – return properly signed forms to program office with hours per visit noted on each form.

- Complete and return application form to program office.

- Complete FASFA if seeking financial aid

All application materials are due by April 1st of the academic year.
