Title of Project: _____

**Application for an Individual Allocation from
American Cancer Society
Institutional Research Grant #IRG-58-009-49**

OTHER RESEARCH SUPPORT:

DESCRIPTION OF RESEARCH PROPOSED:

American Cancer Society Institutional Research Grant - Research Promotion Form (4 of 4 pages)

If your application for an American Cancer Society grant is funded, our National Home Office will work with your local American Cancer Society Division to announce your success. The following information will be used to determine your interest in working with the Society to promote your grant and/or research to the media and the general public. Thank you for your cooperation.

Name Institution

Phone Number Fax Number Email address

Please indicate your response to the following questions:

1. The American Cancer Society would like to distribute a news release to local media announcing your grant. Please list newspapers, newsletters, alumni publications, or other publications you would recommend to receive the release.

2. If you are conducting research, are you willing to discuss your project(s) with the media?

yes no n/a

2. Would you assist your local ACS Division or Unit by speaking at Society-sponsored events, for example, fundraising, professional or public education, Board or committee meetings?

yes no

3. Would you assist your local ACS Division or Unit by serving as an expert in your research or professional field and/or as a member of a speaker's bureau?

yes no

4. Would you assist your local ACS Division or Unit in fundraising events - for example, organizing a team to participate in the Relay for Life?

yes no

5. If there are other ways you would like to assist the Society, please list here:

6. Please provide the name and telephone number of the person at your institution who will be responsible for coordinating publicity with your local American Cancer Society.

Ms. Dagny Stuart
Vanderbilt-Ingram Cancer Center
(615) 936-5711
